SYNCHRONIC SOUND SYSTEM

SUPER HIGH TECH GAME
NEO-GEO

Get Into The Enemy's Hideout And Destroy The International Terrorist Group.

"ZOLGE KING", the new terrorist group, bombed the subway streets with a new type of bomb. Thousands of lives were lost. ROY HEART of the special CIA department was given orders to destroy the new bomb factory and kill the boss. He sneaks into the hideout all alone. The battle takes place from the hero's perspective. 3-D graphics provide lifelike movements of the characters. This game is dramatic and exciting!

Destroy the terrorists with various attacks.

ROY HEART, the hero of this game is an expert at martial arts. The action takes place from the hero's perspective. Besides punching and kicking, you can select a knife, pistol and machine gun as your weapons! Good luck!

Enemy attacks are in 3-D!

Besides punching and kicking, the enemies use other methods of attack such as, machine guns, steel pipes, stun guns, etc.

Destroy boss to clear stage!

You must destroy the bosses at the end of each area to clear the stage. Look out, they're tough!

Use your fighting experience and information obtained!

The key is to use the detailed information and the fighting experience from each fight to proceed with your mission. Proceed with caution and keep up the fighting spirit!
